ORANGE TREE

Discover two architect-designed detached villas, thoughtfully positioned side by side in the peaceful countryside of southern Portugal. Built with sustainable CLT construction, these contemporary homes blend comfort, eco-friendly living and refined architectural elegance. Located in the municipality of Loulé in the Algarve, the villas offer an ideal combination of natural tranquility and modern infrastructure. Within just three minutes, you can reach the city center, where schools, kindergartens, hospitals and shopping malls provide everything you need for everyday life. In only twenty minutes, you arrive at the picturesque beaches of Portugals Golden Triangle as well as Faro International Airport, ensuring effortless connectivity. Each villa features two above-ground floors and a basement, along with its own private plot, individual entrance and exclusive outdoor space. Inside, you will find four spacious bedrooms and five elegantly designed bathrooms. Outdoors, each home offers a 50 m² private swimming pool, a covered area for outdoor dining, an open terrace for relaxation, beautifully landscaped Mediterranean gardens and private parking, creating the perfect environment for enjoying the Algarves exceptional climate.
